Tucker High School Parents and Guardians:

This morning at 9:06 AM, the school went into a lockdown led by the DeKalb County Schools Department of Public Safety and School Resource Officers. Please know that there is no issue or current safety threat and the school day resumed at 9:55 AM. In a continued effort to ensure we have a positive and secure school and learning environment, we will have a continued emphasis on school safety while continuing to communicate with you all what is taking place here at school.

Please let me know of any questions or concerns you have with any of this or the events of today.

Sincerely,
