**Lockers**

All students must use an authorized Master® combination lock to secure their hall, PE, and instrument lockers. Students may purchase these locks from the Student/Teacher Support Office. These authorized locks work on a master key. In an emergency, lockers may be accessed by appropriate school personnel. Unauthorized locks will be removed. Locker cleanouts and unannounced locker checks may be conducted several times during the school year. Food or beverages may NOT be stored in a locker after lunch or overnight. Lockers must be emptied on or before the last day of the school year as directed by the administration.

Lockers in the Physical Education Department are available for students while they are in their Physical Education (PE) class. Students are expected to secure their PE lockers during class time. In addition, students are expected to remove their items from the PE lockers daily in order that students in each PE class will have lockers to secure their personal items.

The usage of instrument lockers will be determined and handled by the directors of band and orchestra.

*Sharing lockers is prohibited and is subject to disciplinary action.* Students are cautioned not to give their locker combination to anyone. If any contraband or other prohibited items are found in a locker, the student who is assigned that locker will bear any disciplinary actions.
