Chemistry Tutorial

Tutorial – Thursdays 3:30-4:30

- Students will not need a tutorial pass.
- Students will be allowed to enter until seats are filled, at which point the door will be closed.
- At 3:35, the door will be closed. Only students with a pass from elsewhere will be allowed to enter after this point.
- Only specific questions will be answered for the benefit of other students.
- If students are not quietly working, asking questions, or listening to the instructor as questions are being answered, they will be asked to leave the room.
